

HALF DAY 'SINGING TOGETHER FREESTYLE' WORKSHOPS AT SALE QUAKER MEETING HOUSE

SINGING TOGETHER FREESTYLE: Don't forget, this workshop is different from the other Singing for Larks workshops. You won't be taught songs that have already been arranged in harmony; instead, it's your chance to make up your own notes and rhythms as you go along.

TIMETABLE: So that we have as much time as possible for singing on this workshop, we need to stick to the following timetable. Your co-operation with this will be greatly appreciated.

9.30am - Doors open. (We'll be setting up the room before this).

9.45am - Workshop begins. There will be a break about half way through the workshop.

12.45pm - The workshop will finish promptly.

REFRESHMENTS: There will be a break during the morning, when hot drinks, biscuits & fruit will be provided. Tap water will be available all morning, or bring your own.

ADDRESS: Quaker Meeting House, Park Road, Sale, Cheshire. M33 6WX

GETTING THERE:

TRAINS: The nearest train station is Humphrey Park (2.5 miles).

If you're travelling from Manchester Piccadilly or Victoria stations, it's probably best to get a taxi (allow 20-30 minutes) or tram and then walk (allow 50 minutes).

TRAMS: 10 minute walk from Sale Tram Station. Turn left along School Road, through the pedestrian area (no need to follow the one way system!).

BUSES: 5 minutes walk from bus stops on Cross Street / Washway Road.

BY ROAD: If you're driving from Manchester or the M60, as you travel down the A56 you'll need to turn right onto Glebelands Road, Mersey Road or Park Avenue at the latest as, after that, there is no right hand turn off the A56 until you're quite a way past the Quaker Meeting House.

PARKING: There are parking spaces for about 6 cars in the grounds themselves.

If you know you need a space for mobility reasons, let me know in advance so I can mark off a space for you.

There is plenty of parking on Park Road and there are no restrictions at the weekends.

Please don't park on, or drive over, the lawns or park on the driveways.
